msg. no. 2009/1
and J. J. Gnanapavan
Calle Road, Colombo

TC/R/2

29th July 2009

To All Registered Manufacturers of Tea

Sirs,

Calculation of Reasonable Price for Green Leaf
Based on Monthly Elevational Sale Averages

Reference is made to the circular No. TC/R/C dated 26th October 2009 under the above subject.

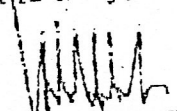

02. Consequent to the Board decision on the subject matter the directive mentioned in the above circular has been amended as follows;

"In terms of the section 8 (2) of the Tea Control Act No. 51 of 1957 as amended all registered manufacturers of tea are hereby directed to use monthly elevational sale average in the formula to calculate reasonable price for green leaf irrespective of type of black tea produced in respective tea factories"

03. Accordingly all Black tea manufacturers (Orthodox, CTC, and Orthodox CTC) required to use elevational monthly sale average for calculation of reasonable price for green leaf.

04. Please note all other directives therein remain unchanged.

Yours truly,

H.D. Hemaratne
