Ref. No. MF/BL.67 D.

Sri Lanka Tea Board,
Tea Commissioner's Division,
P.O. Box : 363,
Colombo 1.

10th February, 1986.

Dear Sir/Madam,

Manufacture of Made Tea of Good Quality

Your attention is ~~drawn~~ to my Circular Letter No.MF/BL.67.
dated 31st December, 1985.

2. Despite my ~~direction~~ to improve the quality of teas manufactured by improving the standard of processing; it is observed that the net sale average price for the month of January, 1986, ~~realised~~ by your factory at the Colombo Auctions has been below the relevant elevational average.

3. Hence, I wish to stress once again that unless remedial action is initiated to improve the standard of teas produced and higher prices obtained at the auctions, I will be reluctantly compelled to take appropriate action as deemed necessary under the provisions of the Tea Control Act.

4. Please acknowledge receipt of this letter.

Yours faithfully,
Sgd. G.A. de Silva,

TEA COMMISSIONER.
